BEAUJOLAIS-VILLAGES "Les Belouzes"

DESCRIPTION OF THE TERROIR

In the south of Burgundy the large Beaujolais-Villages Appellation covers more than 14 000 acres on 39 villages. Château de Beauregard owns one hectare of Beaujolais Villages 'Les Belouzes', situated in Romanèche-Thorins at the border with the Moulin à Vent Appellation. The soils of this plot, located in the heart of the village, are deeper and richer in alluvial deposits than the Moulin à Vent. They give aromatic wines with a good structure for a Beaujolais-Villages.

VINES AND VITICULTURE

Grape variety: Gamay 100% - Average age of the vines: About 30 years.

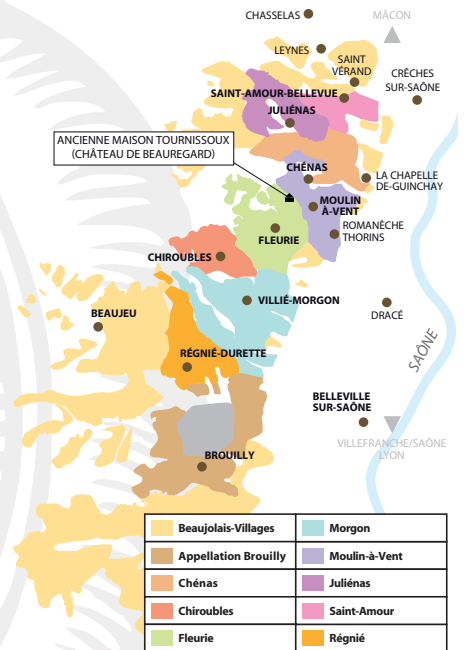

The vineyard is managed to promote microbial life in the soil, to encourage deep rooting of the vines. Strict control of the yields; culture respectful of the environment; 100% hand picked.

WINEMAKING AND DESCRIPTION OF THE WINE

Sorted on a vibrant table as soon as they arrive in our winery, the grapes follow a traditional vinification (opposite to the modern style 'en Primeur') in order to reveal its typical Terroir expression. Then the wine ages in fines lees in a temperature controlled vat or sometimes in 'Pièces' (Burgundian oak cask-228l) in order to favor its aromatic concentration and keeping potential. Our Beaujolais Villages shows a dark color with ruby lights. It reveals intense red fruit aromas, the mouth is round, full and fleshy. Nice finish with supple tannins. Keeping potential: 2 to 4 years.

FOOD MATCHING

Serve between 14 and 17°C in convenient glasses. 'Les Belouzes' matches well with Burgundy 'charcuteries', grilled red meats, poultry and not too matured cheese.
