# WHITE BURGUNDY IN BOND : POWERFUL, CONCENTRATED AND BALANCED CHÂTEAU DE BEAUREGARD

Lovely vintage here, less affected by hail than the Côte d'Or, with yields about 10% lower than usual. Frédéric Burrier thinks this is quite similar to the wonderful 2010, but not quite as intense. The very long maturation in cool weather has produced a firm, fine and elegant vintage. He picked from 15th September to 4th October, waiting patiently for each vineyard to ripen, the consequence of the spread-out three-week flowering. Another super range of wines this year. It is often difficult to select wines here as they are all delicious, so we offer a mixed case too.

## POUILLY-FUISSÉ

50% tank fermented for freshness and 50% barrel fermented for richness, the blend is better than either separately. Ripe and full, its ample frame is well supported and balanced by the firmness of the fruit. (2014-2017).

## POUILLY-FUISSÉ "VERS CRAS"

It is a lovely ripe wine, yet shot through with an invigorating freshness. (2015-2018).

## POUILLY-FUISSÉ "VERS POUILLY"

It's a fine synthesis of the richness of Fuissé with the elegance of Pouilly. (2015-2018).

## SAINT-VÉРАН "LA ROCHE"

Rich, full and powerful, and yet the finish is fresh and clean. Excellent value for money. (2014-2017).
